

JOIN THE ASSOCIATED STUDENTS FOR UNDERGRADUATE RESEARCH AND ENGAGEMENT (ASURE)

What is ASURE?

ASURE is involved in planning and coordinating the [Undergraduate Research Symposium](#) every Spring. The symposium allows undergraduate researchers to present in a professional, low-stress environment. It is also an opportunity to connect with faculty and other researchers from various disciplines.

ASURE also hosts student-led workshops for research involvement, abstract writing, poster presentations, and oral presentations to prepare students for the symposium in May.

Visit the [ASURE website](#) to find out more.

What do ASURE members do?

Attend weekly meetings, plan information sessions, assist in abstract/ oral presentation/ poster presentation workshops, edit abstracts for participants, and various other tasks related to planning and coordinating the Undergraduate Research Symposium.

What are the qualifications?

Previous research experience, participation in the Undergraduate Research Symposium preferred, strong interpersonal skills, and pursuing a research or related career.

How to get involved:

To become a member, [complete the online application](#). If you are interested in a leadership position please indicate so in the application.

ALL MAJORS ENCOURAGED TO APPLY. This is not only for sciences. Education, architecture, business, and performance majors are especially encouraged to apply.
